

## HIGHRAIL-S Steel Step Stool

---

[Representative image of product]

### Product Description

The High Rail Steel Step Stool is ideal for accessing low shelves and high cupboards with its high handrail, perfect for leaning on and feeling safer when reaching. Finished in a stylish grey colour, designed to complement your home. Features include deep comfortable platform treads with an anti-slip rubber surface that are kind to your feet. The broad base for extra stability and slip-resistant feet. Folding to just 6cm depth, the steps will store in the narrowest of gaps.

### Features

- High handrail for leaning on and getting additional support
- Oversized treads are easy on your feet
- Steel frame designed to give years of use around your home
- Folds easily for storage and fits 6cm wide narrow spaces
